

## **Interdivisional Group of Separation Science of the Italian Chemical Society (Italy)**

The Interdivisional Group on Separations Science of the Italian Chemical Society (SCI) will provide a scholarship of 1000.00 USD travel grant as a reimbursement of expenses for participation for PhD students or academic post-docs presenting posters or talks at HPLC 2018 conference with preference given to candidates studying at Italian institutions.

Interested candidates who have already registered to the conference may apply by emailing to Prof. Luigi Mondello at [lmondello@unime.it](mailto:lmondello@unime.it). Please, enclose a letter requesting consideration for the grant, a letter of recommendation from an advisor, and a PDF of the submitted abstract. The applicant must be the first author and presenter of the poster or lecture.

The deadline to apply for a student/post-doc travel grant is April 20, 2018.
